Synopsis

In the rainy season, police discover two homicide cases involving pregnant women. The media widely reported the incident in bold headlines: "Pregnant woman dissected alive, husband put to death in 100 degree of boiling water." The killings don't cease. One more murder occurs. A pregnant girl named Cheung Wing is dissected alive, same as the first two cases, making people shiver in fear. Jeff and Kwok Wah contacts Du Ge, their ex-boss, to find a way to quell the situation! Jeff, Kwok Wah and Du Ge are determined to find the perpetrators, but can they?
